

A lifecourse approach aligns with Māori worldviews

Take care of
our children.
Take care of
what they
hear, take care
of what they
see, take care
of what they
feel. For how
the children
grow, so will be
the shape of
Aotearoa.

Tubberty*

Dame Whina Cooper and her granddaughter set off on their hikoī to Parliament in 1975. (Michael Tubberty, NZ Herald Archive)

Inequalities across the lifecourse

More than an academic exercise

Nothing about us without us
